Official Form 410 - Instructions for Proof of Claim

United States Bankruptcy Court

These instructions and definitions generally explain the law. In certain circumstances, such as bankruptcy cases that debtors do not file voluntarily, exceptions to these general rules may apply. Understand the terms used in this form

Administrative expense: Generally, an expense that arises after a bankruptcy case is filed in connection with operating, liquidating, or distributing the bankruptcy estate. 11 U.S.C. § 503.

Claim: A creditor's right to receive payment for a debt that the debtor owed on the date the debtor filed for bankruptcy. 11 U.S.C. § 101 (5). A claim may be secured or unsecured.

Creditor: A person, corporation, or other entity to whom a debtor owes a debt that was incurred on or before the date the debtor filed for bankruptcy. 11 U.S.C. § 101 (10).

Debtor: A person, corporation, or other entity who is in bankruptcy. Use the debtor's name and case number as shown in the bankruptcy notice you received. 11 U.S.C. § 101 (13).

Evidence of perfection: Evidence of perfection of a security interest may include documents showing that a security interest has been filed or recorded, such as a mortgage, lien, certificate of title, or financing statement.

Information that is entitled to privacy: A Proof of Claim form and any attached documents must show only the last 4 digits of any social security number, an individual's tax identification number, or a financial account number, only the initials of a minor's name, and only the year of any person's date of birth. If a claim is based on delivering health care goods or services, limit the disclosure of the goods or services to avoid embarrassment or disclosure of confidential health care information. You may later be required to give more information if the trustee or someone else in interest objects to the claim.

Priority claim: A claim within a category of unsecured claims that is entitled to priority under 11 U.S.C. § 507(a). These claims are paid from the available money or property in a bankruptcy case before other unsecured claims are paid. Common priority unsecured claims include alimony, child support, taxes, and certain unpaid wages.

Proof of claim: A form that shows the amount of debt the debtor owed to a creditor on the date of the bankruptcy filing. The form must be filed in the district where the case is pending.

Redaction of information: Masking, editing out, or deleting certain information to protect privacy. Filers must redact or leave out information entitled to privacy on the Proof of Claim form and any attached documents.

Secured claim under 11 U.S.C. § 506(a): A claim backed by a lien on particular property of the debtor. A claim is secured to the extent that a creditor has the right to be paid from the property before other creditors are paid. The amount of a secured claim usually cannot be more than the value of the particular property on which the creditor has a lien. Any amount owed to a creditor that is more than the value of the property normally may be an unsecured claim. But exceptions exist; for example, see 11 U.S.C. § 1322(b) and the final sentence of 1325(a).

Examples of liens on property include a mortgage on real estate or a security interest in a car. A lien may be voluntarily granted by a debtor or may be obtained through a court proceeding. In some states, a court judgment may be a lien.

Setoff: Occurs when a creditor pays itself with money belonging to the debtor that it is holding, or by canceling a debt it owes to the debtor.

Uniform claim identifier: An optional 24-character identifier that some creditors use to facilitate electronic payment.

Unsecured claim: A claim that does not meet the requirements of a secured claim. A claim may be unsecured in part to the extent that the amount of the claim is more than the value of the property on which a creditor has a lien.

Offers to purchase a claim

Certain entities purchase claims for an amount that is less than the face value of the claims. These entities may contact creditors offering to purchase their claims. Some written communications from these entities may easily be confused with official court documentation or communications from the debtor. These entities do not represent the bankruptcy court, the bankruptcy trustee, or the debtor. A creditor has no obligation to sell its claim. However, if a creditor decides to sell its claim, any transfer of that claim is subject to Bankruptcy Rule 3001(e), any provisions of the Bankruptcy Code (11 U.S.C. § 101 et seq.) that apply, and any orders of the bankruptcy court that apply.

Customer shall be fully responsible and liable to Compute North under this Agreement for any acts or omissions by any third-party service provider acting for or on its behalf.

4. **Hardware Acquisition.** Compute North agrees to sell to Customer, and Customer agrees to buy from Compute North, such hardware, if any, elected on the Order Form ("Acquired Hardware"). A deposit equal to fifty percent (50%) of the fee set forth on the Order Form (the "Hardware Deposit") shall be due and payable as of the date on which Compute North and Customer have both executed the Order Form, with the remaining amount due and payable by the earlier of (a) the date on which Compute North notifies Customer that the Acquired Hardware has been shipped or (b) thirty (30) days after the Hardware Deposit. Legal title to the Acquired Equipment only shall transfer to Customer when the fee for the Acquired Hardware is paid in full. The Acquired Hardware shall be Equipment subject to this Agreement upon its delivery to the Facility. Customer solely shall be responsible for determining whether the Acquired Hardware is fit and suitable for its particular purposes. Customer acknowledges that no warranty, express or implied, is provided by Compute North for any Acquired Hardware and agrees that the only warranties associated therewith are the warranties, if any, offered or made by the manufacturers thereof.

5. Term and Termination.

- 5.1. Term. This Agreement shall be effective as of the date on which it has been executed by both Compute North and Customer (the "Effective Date"), and shall remain in effect for the remainder of any Equipment Term set forth on the Order Form. The Equipment Term for the Equipment shall commence as of the date Compute North notifies Customer in writing that such Equipment has been received and turned on by Compute North.
- 5.2. Equipment Return. Upon Customer's written request, and provided Customer has paid all amounts then due and owing under this Agreement, Compute North shall decommission and return the corresponding Equipment to Customer upon the expiration of an Equipment Term as provided in Section 10.4.
- 5.3. Termination for Cause. Compute North may terminate this Agreement for cause immediately upon written notice to Customer if Customer: (a) fails to make any payment(s) due pursuant to this Agreement; (b) violates, or fails to perform or fulfill any covenant or provision of this Agreement, and any such matter is not cured within ten (10) days after written notice from Compute North; (c) enters into bankruptcy, dissolution, financial failure or insolvency; or (d) enters into an assignment, sale or merger with a third party, unless approved in writing in advance by Compute North (each, a "Default").
- 5.4. Effect of Default. In the event of a Default by Customer, Compute North shall have the right, but not the obligation, to terminate this Agreement on written notice to Customer, and Customer shall pay immediately to Compute North all amounts then owed under this Agreement and, as liquidated damages and not a penalty, all amounts due for the remainder of the applicable term of the Agreement. If Customer fails to make any such payments, in addition to any other rights and remedies it may have, Compute North shall have the right to (a) sell or retain possession of, (b) reconfigure for Compute North's use, or (c) remove and store at Customer's expense, all or any portion of the Equipment without any cost, obligation or liability of Compute North to Customer.

6. Fees and Payment.

- 6.1. **Initial Fees.** The Initial Setup Fees and Initial Deposit set forth on the Order Form and any Hardware Deposit shall be due and payable as of the date on which Compute North and Customer have both executed the Order Form. The Initial Setup Fees, Initial Deposit and Hardware Deposit are non-refundable and non-transferrable under any circumstance.
- 6.2. **Monthly Fees.** On the first day of every month during the Term of this Agreement, Customer shall pay Compute North the Monthly Service Fees and Monthly Package Fees (collectively, the "Fees") set forth on the Order Form. Compute North reserves the right to adjust the Monthly Service Fees if the configuration or performance of the Equipment differs materially from that stated on the Order Form, as reasonably determined by Compute North.
- 6.3. **Taxes.** All amounts payable by Customer under this Agreement are exclusive of, and Customer shall solely be responsible for paying, all taxes, duties and fees, including federal, state and local taxes on manufacture, sales, gross income, receipts, occupation and use, not based on Compute North's income that arise out of this Agreement.
- 6.4. **Payment Method.** All payments due and owing under this Agreement shall be made through automated clearing house ("ACH") transfers by Compute North from an account established by Customer at a United States bank designated by Customer (the "Payment Account"). Customer hereby agrees to execute and deliver to Compute North or its ACH payment agent an authorization agreement authorizing Compute North to initiate ACH transfers from the Payment Account to Compute North in the amounts required or permitted under this Agreement. For as long as this Agreement remains effective, Customer shall be responsible for all costs, expenses or other fees and charges incurred by Compute North as a result of any failed or returned ACH transfers, whether resulting from insufficient sums being available in the Payment Account or otherwise. Any other payment method must be pre-authorized by Compute North and will be subject to a fee.
- 6.5. **Service Credits.** All requests for service credits will be governed by the then-current Compute North credit policy published at www.computenorth.com/credit-request. All requests for service credits must be submitted to Compute North online via this link.
7. **Security Interest.** Customer hereby grants a security interest in the Equipment and Acquired Hardware in favor of Compute North to secure the obligations of Customer under this Agreement. Compute North may, at such time as it determines appropriate, file a UCC 1 Financing Statement in such places as it determines to evidence the security interest granted by Customer to Compute North under this Agreement. Customer represents and warrants that it has not granted a security interest in the Equipment or Acquired Hardware in favor of a third party priority over the security interest granted to Compute North herein.
8. **Network and Access.**
 - 8.1. **Network.** Compute North will provide a minimum of 100 mbps of local network connectivity to each piece of Equipment on a single Ethernet segment. Customer may elect to use Compute North's standard firewall and Dynamic Host Configuration Protocol ("DHCP") services by notifying Compute North in writing. Customer is solely responsible for all network and device security, including providing an appropriate firewall and managing passwords. Customer acknowledges and agrees that Compute North may monitor Customer's network usage and traffic and Customer hereby authorizes Compute North to access, collect and use data relating to the Equipment and Customer's use thereof.
 - 8.2. **Access.** Only those persons specifically authorized by Compute North in writing may access the Facility. Compute North may deny or suspend Customer's access to the Equipment based on Compute North's then-current Security Policies and Procedures, which include, but are not limited to:

COMPUTENORTH

- 8.2.3. Customer shall perform Equipment maintenance and repairs during normal business hours (Monday-Friday, 7AM – 6PM Central Time);
- 8.2.4. Customer may request immediate or after-hour access to the Facility to perform emergency maintenance. Compute North will make every reasonable attempt to accommodate Customer's after-hour emergency access requests.

Customer shall be solely responsible for any damage or loss caused by anyone acting for or on its behalf while at the Facility.

- 8.3. Hazardous Conditions. If, in the reasonable discretion of Compute North, any hazardous conditions arise on, from, or affecting the Facility, whether caused by Customer or a third party, Compute North is hereby authorized to suspend service under this Agreement without subjecting Compute North to any liability.
- 8.4. Demand Response/Load Resource Participation Program. Customer acknowledges and understands that Compute North participates in various Demand Response/Load Resource Participation Programs ("LRP Program") at its facilities. As set forth in the Customer Handbook, the LRP Program provides the local grid operator with the capability to shut off the power load serving Compute North customers in response to emergency load situations. Customer agrees that the Fees reflect Compute North's participation in the LRP Program and that Compute North shall have no liability to Customer for any actions or omissions due to or resulting from its participation in the LRP Program.

9. Pause and Reactivation.

- 9.1. Equipment Pause. At Compute North's sole discretion, and provided that Customer has paid all amounts then due and owing under this Agreement, Compute North may permit Customer may pause and suspend Services for specified Equipment ("Paused Equipment"). The pause shall remain in effect until the earlier of (i) the six (6) month anniversary of the date upon which Services were paused and suspended and (ii) the date upon which Customer gives written notice to Compute North that it intends to resume use of the Paused Equipment. If Customer does not resume use of the Paused Equipment by the six (6) month anniversary of the date upon which Services were paused, Customer agrees that legal title to the Equipment shall transfer to Compute North and this Agreement shall be deemed terminated with respect to such Equipment.
- 9.2. Reconfiguration. While Services are paused, Compute North may reconfigure and use the Paused Equipment for and on its own behalf. Such use may include revoking Customer's access to the Paused Equipment and reconfiguring the Paused Equipment so that all profits accrue to Compute North's benefit without owing any compensation, payment or other consideration to Customer. Compute North also may remove and store at Customer's risk and expense all or a portion of the Equipment and provide the space previously occupied thereby to a third party without any cost, obligation or liability to Customer. Customer acknowledges and agrees it is and shall remain solely liable for the Paused Equipment at all times during which service is paused and suspended and that Compute North shall not have any liability to Customer for its use of the Paused Equipment or for any loss, deletion or corruption of Customer's data or files on the Paused Equipment.
- 9.3. Fees During Pause. Upon reconfiguration of the Paused Equipment by Compute North, Customer shall not owe Fees with respect thereto. Customer otherwise shall remain liable to Compute North

COMPUTENORTH

for all amounts due and payable with respect to the Paused Equipment, and the Equipment Term for such Paused Equipment shall be extended by a like period.

- 9.4. Reactivation. Within five (5) business days of receiving written notice from Customer, Compute North shall reconfigure the identified Paused Equipment for Customer's use. Customer shall pay Compute North its then-current Setup Fee for each device reconfigured for Customer's use, which shall be due and payable to Compute North with its next monthly invoice following reconfiguration.

10. Removals and Relocation of Equipment.

- 10.1. Relocation. Compute North may require Customer to relocate the Equipment within the facility or to another Compute North facility upon twenty (20) days' prior written notice to Customer, provided that the site of relocation shall afford comparable environmental conditions for the Equipment and comparable accessibility to the Equipment. Notwithstanding the foregoing, Compute North shall not arbitrarily or capriciously require Customer to relocate the Equipment. If the Equipment is relocated according to this Section, the reasonable costs of relocating the Equipment and improving the Facility to which the Equipment will be relocated shall be borne by Compute North.
- 10.2. Interference. If at any time the Equipment causes unacceptable interference to existing or prospective Compute North customers or their Equipment in Compute North's reasonable opinion, Compute North may require Customer to remove or relocate the Equipment at Customer's sole expense. If Customer is unable to cure such interference by relocating the Equipment, Compute North may terminate this Agreement without further obligation to Customer under this Agreement.
- 10.3. Emergency. In the event of an emergency, as determined in Compute North's reasonable discretion, Compute North may rearrange, remove, or relocate the Equipment without any liability to Compute North. Notwithstanding the foregoing, in the case of emergency, Compute North shall provide Customer, to the extent practicable, reasonable notice prior to rearranging, removing, or relocating the Equipment.
- 10.4. Equipment Return. Provided that Customer has paid all amounts then due and owing under this Agreement, Compute North shall decommission and make the corresponding Equipment available to Customer for pickup at, or shipment from, the Facility within five (5) business days of Customer's written request. Customer shall be responsible for packing and removing the Equipment from the Facility at its sole cost, expense and risk within seven (7) business days of the date on which Compute North notifies Customer that the Equipment is available for return. If Customer does not remove the Equipment as provided herein, Customer agrees that legal title to the Equipment shall transfer to Compute North. COMPUTE NORTH SHALL HAVE NO OBLIGATION, RESPONSIBILITY, OR LIABILITY FOR ANY OF THE FOLLOWING: (A) ANY INTERRUPTION OR DEFECTS IN THE EQUIPMENT FUNCTIONALITY CAUSED BY FACTORS OUTSIDE OF COMPUTE NORTH'S REASONABLE CONTROL; (B) ANY LOSS, DELETION, OR CORRUPTION OF CUSTOMER'S DATA OR FILES WHATSOEVER; (C) ANY LOST REVENUE TO CUSTOMER DURING OUTAGES, EQUIPMENT FAILURES, ETC.; (D) DAMAGES RESULTING FROM ANY ACTIONS OR INACTIONS OF CUSTOMER OR ANY THIRD PARTY NOT UNDER COMPUTE NORTH'S CONTROL; OR (E) DAMAGES RESULTING FROM EQUIPMENT OR ANY THIRD PARTY EQUIPMENT.
- 14.2. IN NO EVENT SHALL COMPUTE NORTH BE LIABLE TO CUSTOMER OR ANY OTHER PERSON, FIRM, OR ENTITY IN ANY RESPECT, INCLUDING, WITHOUT LIMITATION, FOR ANY INDIRECT, CONSEQUENTIAL, SPECIAL, INCIDENTAL OR PUNITIVE DAMAGES, INCLUDING LOSS OF PROFITS OF ANY KIND OR NATURE WHATSOEVER, ARISING OUT OF MISTAKES, NEGLIGENCE, ACCIDENTS, ERRORS, OMISSIONS, INTERRUPTIONS, OR DEFECTS IN TRANSMISSION, OR DELAYS, INCLUDING, BUT NOT LIMITED TO, THOSE THAT MAY BE CAUSED BY REGULATORY OR JUDICIAL AUTHORITIES ARISING OUT OF OR RELATING TO THIS AGREEMENT OR THE OBLIGATIONS OF COMPUTE NORTH PURSUANT TO THIS AGREEMENT. COMPUTE NORTH'S TOTAL CUMULATIVE LIABILITY UNDER THIS AGREEMENT, WHETHER UNDER CONTRACT LAW, TORT LAW, WARRANTY, OR OTHERWISE, SHALL BE LIMITED TO DIRECT DAMAGES NOT TO EXCEED THE AMOUNTS ACTUALLY RECEIVED BY COMPUTE NORTH FROM CUSTOMER IN THE TWELVE (12) MONTHS PRIOR TO THE DATE OF THE EVENT GIVING RISE TO THE CLAIM.
- 14.3. Remedy. Customer's sole remedy for Compute North's non-performance of its obligations under this Agreement shall be a refund of any fees paid to Compute North for the then-current service month. Unless applicable law requires a longer period, any action against Compute North in connection with this Agreement must be commenced within one (1) year after the cause of the action has accrued.

required to adhere to any and all rules of operation established by Leaser for the Facility. Whether owned or leased by Compute North, Customer acknowledges and agrees that it does not have, has not been granted, and will not own or hold any real property interest in the Facility, that it is a licensee and not a tenant, and that it does not have any of the rights, privileges or remedies that a tenant or lessee would have under a real property lease or occupancy agreement.

- 16.2. Entire Agreement. This Agreement, including the Order Form and any documents referenced herein, constitutes the parties' entire understanding regarding its subject and supersedes all prior or contemporaneous communications, agreements and understanding between them relating thereto. Customer acknowledges and agrees that it has not, and will not, rely upon any representations, understandings, or other agreements not specifically set forth in this Agreement. This Agreement shall not be superseded, terminated, modified or amended except by express written agreement of the parties that specifically identifies this Agreement.
- 16.3. Waiver. Severability. The waiver of any breach or default does not constitute the waiver of any subsequent breach or default. This also includes planned service and maintenance needs.
- 16.6. Governing Law. This Agreement shall be governed by and interpreted in accordance with the laws of the State of Minnesota, without giving effect to principles of conflicts of laws. Any action arising out of or relating to this Agreement shall be brought only in the state or federal courts located in the State of Minnesota, and Recipient consent to the exclusive jurisdiction and venue of such courts. An action by a party to enforce any provision of this Agreement shall not relieve the other party from any of its obligations under this Agreement, and no failure to enforce any provision of this Agreement shall constitute a waiver of any future default or breach of that or any other provision.
- 16.7. Relationship of the Parties. The parties agree that their relationship hereunder is in the nature of independent contractors. Neither party shall be deemed to be the agent, partner, joint venturer or employee of the other, and neither shall have any authority to make any agreements or representations on the other's behalf. Each party shall be solely responsible for the payment of compensation, insurance and taxes of its own personnel, and such personnel are not entitled to the provisions of any employee benefits from the other party. Neither party shall have any authority to make any agreements or representations on the other's behalf without the other's written consent. Additionally, Compute North shall not be responsible for any costs and expenses arising from Customer's performance of its duties and obligations pursuant to this Agreement.

- 16.8. Third-Party Beneficiaries. Nothing in this Agreement is intended, nor shall anything herein be construed to confer any rights, legal or equitable, in any person or entity other than the parties hereto and their respective successors and permitted assigns.
- 16.9. Construction; Interpretation. Dear Mr. Grogan:

Re: Compute North LLC

I enclose a copy of the Bobs Limited Proof of Claim.

I note that a number of lawyers were accepted *pro hac vice*.

On three occasions in three different states when I was accepted, it was always with some other lawyer making the application but in bankruptcy may I apply to be received without retaining a Texas law firm or, although I will continue to look to you for advice but would like to at least hear and know what is happening, would you put me forward to be received *pro hac vice*.

The claim is for an amount of \$6,376,067 made up of the following:

- 1 - \$1,290,000 being the amount paid to Compute North LLC for the purchase of 300 Minerva 100 TH bitcoin miners indicated for delivery by end of May, 2021.
- 2 - \$64,500 paid to Compute North LLC paid as a break fee.
- 3 - \$193,500 paid to Compute North LLC as a 15% upcharge
- 4 - \$186,821 paid to a representative agent who facilitated the sale
- 5 - \$37,984 paid to a representative agent who facilitated the sale

- 2 -

6 - \$4,603,282 which is the loss of earnings based on the price of bitcoin for the known price from June of 2021, where delivery was to have been made in May of 2021, through to October of 2022, and with a calculated profit for each of those months and for the months of November of 2022 through and including April of 2026 with a projected 5 year life of the 300 miners minus the expense of operation based:

(a) on the guaranteed 6 cents price of electricity,

(b) projecting a modest 1% increase each month in the bitcoin price averaging \$20,500 in November of 2022 and therefore as a result with the projected price of \$20,705 in December of 2022, \$20,912 in January of 2023, \$21,121 in February of 2023, et cetera,

(c) the degree of difficulty increasing by 3.5% each month, and

(d) the expected decline of the function of the machines,

results in an additional expected net recovery of \$1,208,091 for a total of \$4,603,282. The known loss is one of the attachments, \$3,395,191. Projected loss \$1,208,091 is just that, a projection.

I end with two questions.

1 - Can you assist me regarding the *pro hac vice* issue.

2 - What got sold at the auction.

Yours truly,
